* the numbers represent Advisors in these categories, respectively:

Faculty/Staff/Administration – Community – Scouting/Youth Services

** AAMD = Annual Active Membership Dues; represents how many actives are paid and registered with the National Office.

The number should be the same as what your chapter considered "paid actives" for the fall term.

*** Total actives you could have for the fall, based on last year's membership levels (last year's paid actives plus last year's initiates less last year's graduated seniors)

**** *Retention Rate is a measure of how well a chapter is retaining its actives and newer initiates from one year to the next.*

How does your chapter measure up against the previous year? Against the other chapters?
